Men's Fraternity Launch, Wed., Sept. 22nd, 6 a.m.

Men's Fraternity is a three part curriculum developed by Dr. Robert Lewis. It features a 40 minute teaching followed by a time of small group interaction. The teaching is funny, profound and extremely relevant. The focus of our third curriculum, *The Great Adventure*, is on discovering your chosen destiny as a man. Throughout this Fall's session you will be challenged that you must allow the adventurer in you to live with a call

to maximize your manhood. There are two desired outcomes, that you might discover what you are passionate about and live with the end in mind. Don't sleep in...flex your manhood and come out!

Men's Retreat: September 24th-25th

Join us at the Dayspring Conference Center in Parrish, FL for a two day retreat. Our topic will be "*Learning How to Lead Like Jesus.*" We're all leaders...we all have some area of responsibility where we set the tone and establish the direction, but do we do it well? Rick Wheeler, a certified instructor for the *Lead Like Jesus* program, will be our guest presenter. Pick up a brochure at the Men's Ministry Table for a seminar

description, price info, directions and bio info about our speaker. You can sign up at the Table.

Men at the Cross: November 20th

We have several MATC discipleship groups already in our church. Those who attended last year's Men at the Cross event were powerfully impacted. See the Men's Ministry Table for more info about this Fall's event. We are planning on booking some rooms in Tampa for those who would like to stay over Friday Night. We will keep you posted on the details. Men at the Cross is all about discipleship. Come learn how to "love a man to Jesus until that man is ready to love a man to Jesus."

Be prepared for upcoming service projects this Fall.
