

Seminar Description

The Lead Like Jesus Seminar is designed to help each attendee take God out of the spiritual compartment of their private spiritual life and give Him free reign in all their daily actions and relationships, especially their leadership roles. Jesus set the basis foundation for the leadership journey throughout his ministry. During His time on earth, Jesus poured his life into the training of His disciples in the first three leadership arenas, and during that process, He equipped them to follow His leadership philosophy after He was gone as they moved to the organizational level and attempted to establish the church.

Resources

All registered retreat attendees will receive a 2 CD "After Words" teaching by Ken Blanchard, designed to reinforce the lessons presented in the seminar.
